**The latest volume in the bestselling series**

In today's business environment, a knowledge of finance and skills in budgeting and financial planning are more important than ever before. Totally updated and revised, this highly anticipated *Third Edition* provides new information on five such key topics as interpreting financial statements; information technology in finance; planning capital expenditures; information technology and your firm; business valuation, and much more. Top experts in each field explain the basics of cost-volume analysis, forecasts, and budgets, and reveal how to create a winning business plan. Ideal reading for any manager or executive who needs a "refresher course" in finance.

**Les Livingstone**, PhD, MBA, CPA (West Palm Beach, FL), runs a national consulting firm which specializes in complex business research and expert testimony in large commercial lawsuits. He was chairman of the Division of Accounting and Law at Babson College.

**Theodore Grossman** (Wellesley, MA) is a senior member of the faculty of Babson College with an appointment in information technology and accounting.
