Brigham Young: An Inspiring Personal Biography Susan Evans McCloud

Since the earliest days of the Church, Brigham Young has been a larger than life figure, inspiring and motivating Saints of both yesterday and today. And now, author Susan Evans McCloud brings us a unique perspective on the man who, despite his incredible accomplishments as a prophet, colonizer, and businessman, valued his family and the individual Saints above all the treasure of the earth.

As an aggressive leader "Brother Brigham" mobilized an entire population to make the desert bloom, and as a prophet of God he understood and declared the doctrines of salvation. But it was in his role as friend and family man that he displayed his most endearing qualities. From tenderly nursing his dying wife, to genially supervising his daughters' social activities, to comforting and inspiring many a discouraged missionary, he kept watch over his large family and many friends with heartwarming gentleness and devotion.

In this unique biography, Susan Evans McCloud gives the reader an intimate look into the mind and heart of this exceptional man.
