**Debates sobre el bienestar y la felicidad (Spanish Edition)** Juan Carlos Oyanedel, Camila Mella

¿Cuán ligados están los conceptos de felicidad y bienestar a las disciplinas científicas o las políticas públicas? ¿Es posible generar entre estos un diálogo que nos permita entender que puede existir una conexión influyente y determinante en el desarrollo social o político de las personas?

Debates sobre el bienestar y la felicidad nos entrega una serie de ensayos enfocados en analizar estos conceptos y en contraponer, desde diferentes paradigmas y posiciones, las formas en que pueden influir a nivel cultural, político e, incluso, en la salud física y mental de una sociedad.

Este libro nos propone hablar de los alcances de la satisfacción, su directa injerencia en la ejecución de reformas trascendentes a nivel cultural y de políticas públicas, y de cómo su debate puede traer consigo una nueva perspectiva a los líderes sociales.
