Nectar in a Sieve Kamala Markandaya

In a small village in India, a simple peasant woman recalls her life as a child bride, a farmer's wife, and a devoted mother amidst fights to meet changing times, poverty, and disaster. This is the very moving story of a woman in India whose whole life was a gallant and persistent battle to care for those she loved.

Markandaya's first published novel, *Nectar in a Sieve*, was a bestseller and cited as an American Library Association Notable Book in 1955. Its depiction of rural India and the suffering of its poor made it popular in the West.
