The world was desperate. Since the empire had fallen a hundred years ago, Gwin and her people had nearly given up hope that the Renewer would come. Gwin had lost everything. Her husband was killed in one of the wars. Her children died of Star Sickness. Even her work at the hostel was in jeopardy because the politicians had it out for her. The cursed Gwin, therefore, had nothing to lose. When she took in the girl, a survivor of the Star Sickness, it was a dreadful crime. Gwin was at the end of her rope, and possibly the end of her life if she was found out. But the Sickness had left the girl with certain magic, certain powers, which could prove very useful to them both. Was it possible that this young survivor could save their lives and the empire? Was a new life for Gwin and her world finally at hand?
