Deceit. Blackmail. Lies. Escape.

Everything has collapsed around me. Natalie and her conniving ways, Mason turning a blind eye and the chances of Avery ever finding love are all but fleeting. It's time to escape it all, and that's exactly what we are going to do. Avery and I.

I should have learned my lesson long ago, but I've always believed that love conquers all. The only thing that love has done is blinded me to everything else. Now my closest confidant and assistant is out to get me, tearing down my world and chasing the one woman I have ever loved, far away.

Connected Hearts, The Series.

Harper Browning has it all, but it didn't come without struggles. She's put it all behind her and turned over a new leaf with her extremely romantic, good-looking and billionaire matchmaker boss, Mason Asher, but not to the liking of his personal assistant and right-hand girl.

Mason Asher is known for his ability to find a match for anyone, including the hundreds of wealthy clients that pay him handsomely for his services. But when he makes a promise to Harper's best friend, Avery Gains, he's taken on more than he can handle and now risks not only losing his business but Harper's love too.

Connected Hearts is the follow-up series to **It Takes Two** and can be read as a stand-alone series or you can follow along from the start by downloading the complete series.

*** Connected Hearts is a steamy romance ideal for fans of J.S. Scott, Katy Evans, Lauren Blakely and MS Parker.
