"In His Steps" is a classic of Christian literature whose premise centers on the idea of emulating Christ in one's everyday life. When faced with the challenges of everyday life the book suggests that one should ask oneself, "What would Jesus do?" This simple maxim creates a profound way of looking at life and both the common and morally challenging dilemmas that one might face in life. By asking how would Jesus respond in a particular situation an individual can hope to gain a greater insight into living a more pious life. Christians will find "In His Steps" a compelling narrative illustrating this concept.
