La masonería española en filipinas tomo 1 (Escuadra y Compás) (Spanish Edition) Susana Cuartero Escobés

A través de la presente obra se quiere dar a conocer la vida de la masonería española en las lejanas y desconocidas islas Filipinas. A partir de un detallado análisis de la vida interna de las logias y de las actuaciones de sus integrantes, se realiza una aproximación a la influencia que tuvieron los talleres en la vida socio-política y cultural. Si necesario es este análisis para desmitificar asuntos tan apasionantes y apasionados como la política exterior española, la insurrección tagala, el fusilamiento de José Rizal y la pérdida de las últimas posesiones ultramarinas, no es menos importante dar a conocer la implantación y el desarrollo que tuvo la masonería española en Filipinas durante el siglo XX, en clara competencia y abierta oposición a la masonería estadounidense.
