Vampires in America?

Yes, they exist; Mark Davidson knows it. And what city is more likely to be stalked by them than *New Orleans*?

But Lauren Crow doesn't believe in vampires. Not at first. She and her friends are spending a bachelorette weekend in the Big Easy—all fun and games until a fortune-teller predicts a gruesome death. And until Lauren meets Mark, whom she finds absolutely compelling...and quite possibly crazy. He prowls the city by night, searching out vampires. Mark is as drawn to Lauren as she is to him, and not *just* because she's the image of his murdered fiancée. His obsession with tracking down his lover's killer is part of a vendetta that goes even deeper than grief over his lost love.

As Lauren wrestles with desire and disbelief, sinister shadows lengthen over New Orleans. *Vampires*. They're threatening Lauren and her friends. And they're about to end the city's truce between the living and the *undead*!
