Land Tenure, Conservation and Development in Southeast Asia (Routledge Contemporary Southeast Asia Series)

Peter Eaton

Land Tenure, Conservation and Development in Southeast Asia (Routledge Contemporary Southeast Asia Series) Peter Eaton

This book examines the relationship between land tenure, conservation and rural development in the context of the Southeast Asian archipelago. In particular, it is concerned with people living in and around national parks and other protected areas. It discusses the value of reinforcing indigenous tenure and sustainable resource use practices and of including them in policies and projects that attempt to integrate conservation and development.
