Blush: This is a sensual romance (may have explicit love scenes, but not erotic level) Poisoned MagicWhite magic. Gray magic. Black magic. A witch is a witch. Right? Samantha never meant to cross the line. Hell, she didn't even know a line existed. All she wanted to do was make sure John noticed her. Dabbling with the herbal magic her grandmother taught her doesn't seem wrong. Especially when it produces results. Of course, for those walking in the mystical ways, Samantha's dabbling is anything but innocent. And for those who've long since crossed to the dark side, she's a downright delectable bit of flesh. But though black magic and its wielders may be able to blind a woman, they'll never be able to fully control her actions. Pierce My HeartShakespeare's Hamlet had it more right than he knew. Hierarchies of angels, deities and demons walk among us, mostly unnoticed. But every now and again, Fate steps into a person's life to bitch-slap some sense into them. Jessie is one of those "blessed" people. Sissy, a.k.a. Lachesis, an aspect of Fate, is on a mission, and she has angels Michael and Deacon at her disposal. Combining a Virtue and Power creates some potent mojo all on its own, but adding a lonely human woman to the mix is a sure way to shake loose the knots in the weave of life. Here's hoping Jessie's thread is strong enough to take it.
