No-Nonsense Finance

Errold Moody

No-Nonsense Finance Errold Moody

Today's most powerful personal finance website transfers its take-no-prisoners approach to the printed page

Errold Moody and his website efmoody.com have gained a substantial grassroots following --and praise from *Forbes*, *Business-Week*, *USA Today*, and others--for their straight-talking approach and hands-on guidance in all areas of personal finance.

No-Nonsense Finance brings the website's wealth of information to a concise yet comprehensive guidebook, outlining a commonsense program for saving regularly, investing wisely, and resisting the impulse to buy unnecessary products and advice.

From showing readers how to find advisers they can trust to dispelling myths about asset allocation, dollar-cost averaging, and more, *No-Nonsense Finance* is the ideal financial reference. Readers will enjoy, and profit from, Moody's irascible, often irreverent advice, including:

- Why one should never buy stocks from a stockbroker
- Basic estate planning issues demystified
- "Caveat Investor" sidebars to highlight key points

From reader reviews:

Shirley Parker:

The book No-Nonsense Finance can give more knowledge and information about everything you want. So why must we leave a very important thing like a book No-Nonsense Finance? Wide variety you have a different opinion about publication. But one aim that will book can give many details for us. It is absolutely proper. Right now, try to closer with your book. Knowledge or information that you take for that, you could give for each other; you can share all of these. Book No-Nonsense Finance has simple shape but the truth is know: it has great and massive function for you. You can appear the enormous world by open and read a publication. So it is very wonderful.

Elizabeth Bello:

Book is to be different per grade. Book for children till adult are different content. We all know that that book is very important for people. The book No-Nonsense Finance has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The publication No-Nonsense Finance is not only giving you considerably more new information but also for being your friend when you sense bored. You can spend your personal spend time to read your guide. Try to make relationship while using book No-Nonsense Finance. You never really feel lose out for everything in case you read some books.

Cynthia Bryant:

Here thing why this kind of No-Nonsense Finance are different and trustworthy to be yours. First of all looking at a book is good but it depends in the content of it which is the content is as yummy as food or not. No-Nonsense Finance giving you information deeper as different ways, you can find any guide out there but there is no reserve that similar with No-Nonsense Finance. It gives you thrill reading through journey, its open up your own eyes about the thing this happened in the world which is might be can be happened around you. You can bring everywhere like in area, café, or even in your method home by train. Should you be having difficulties in bringing the imprinted book maybe the form of No-Nonsense Finance in e-book can be your option.

Steven Barraza:

The reason? Because this No-Nonsense Finance is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content inside of easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the guide store hurriedly.
