The Poisoned Quarrel: The Arbalester Trilogy 3 (Complete Edition) Duncan Lay

Beset on all sides, one husband and wife are all that stand between a kingdom and its destruction.

Fallon and Bridgit are reunited at last, but time is still against them. Having evaded treachery, escaped slavery, and thwarted a hostile invasion, they now find themselves in the eye of a ferocious military and political storm.

In the east, Swane is gathering an army of desperate men to retake the throne. In the west, the Kottermani princess is planning to bring the full force of the Empire down on Gaelland in an effort to free her husband, Prince Kemal. And under their very noses, the Duchess Dina's agents are hard at work turning the people against Fallon and his friends. But worse than this, Bridgit begins to fear her husband may not be the best man to lead the country after all.

Together against the odds, Fallon and Bridgit must dare to hope they can make the late Prince Cavan's vision for a fair and free Gaelland come true. But will the price be too high to pay?

An epic fantasy perfect for fans of George RR Martin, David Gemmell and Raymond E. Feist.
