United Nations: A History

Stanley Meisler

United Nations: A History Stanley Meisler

United Nations: A History begins with its creation in 1945. Although the organization was created to prevent war, many conflicts have arisen, ranging from The Korean War, to The Six Day War, to genocide in Bosnia and Rwanda. Stanley Meisler's in-depth research examines the crises and many key political leaders. In this second edition, Meisler brings his popular history up to date with accounts of the power struggles of the last fifteen years, specifically spotlighting the terms of secretaries-general Boutros Boutros-Ghali, Kofi Annan and Ban Ki-moon. This is an important, riveting, and impartial guide through the past and recent events of the sixty-five-year history of the United Nations.

From reader reviews:

James Conner:

What do you concentrate on book? It is just for students because they are still students or this for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for every other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book United Nations: A History. All type of book are you able to see on many sources. You can look for the internet methods or other social media.

Jackson Ponce:

The actual book United Nations: A History has a lot of information on it. So when you make sure to read this book you can get a lot of benefit. The book was authored by the very famous author. The author makes some research prior to write this book. This specific book very easy to read you may get the point easily after looking over this book.

Edmund Hillman:

This United Nations: A History is great reserve for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can say no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having United Nations: A History in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen tiny right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. busy do you still doubt this?

Cassandra Rosas:

The book untitled United Nations: A History contain a lot of information on that. The writer explains your ex idea with easy method. The language is very straightforward all the people, so do certainly not worry, you can easy to read it. The book was compiled by famous author. The author brings you in the new period of time of literary works. You can read this book because you can please read on your smart phone, or model, so you can read the book with anywhere and anytime. In a situation you wish to purchase the e-book, you can wide open their official web-site along with order it. Have a nice examine.
