*Robin Cook*

**Vector (Spanish Edition)** Robin Cook

**Un trepidante *thriller* médico por el maestro del género, Robin Cook.**

En Nueva York, un emigrado ruso se dedica a producir armas bacteriológicas en su tiempo libre y un grupo paramilitar de ideología fascista está dispuesto a utilizarlas en un salvaje atentado. Los tranquilos paseantes del Central Park ignoran que está a punto de producirse una catástrofe de consecuencias pavorosas.

Solo los patólogos forenses Jack Stapleton y Laurie Montgomery, protagonistas también del anterior éxito del autor, *Cromosoma 6*, disponen de imprecisas pistas que podrían conducir a evitar lo que parece inevitable. Pero para conseguirlo no solo deberán confiar en el azar, sino también arriesgar su propia vida y la de miles de personas inocentes.
