He'll grant her one wish.... What if she wishes for him?

When Moira Connor stumbles across a jewel-encrusted silver trinket in the desert, she plans to trade it for food. Then the brush of her fingers unleashes a surprise....

Freed from the lamp, Boone is bound to the woman who called him with her touch. She has one day to make a wish before he disappears forever. But Moira lives in the ruins of a world destroyed by witches. She hates magic—even when it comes in the shape of a dazzlingly gorgeous djinn. Will the exquisite pleasure of Boone's caresses be enough to earn Moira's trust? And will Moira be able to save Boone from the malevolent creature who would possess him?
