Bibliographie juridique luxembourgeoise 1997-2013 (French Edition) Catherine Bourin - Dion, Christian Deprez, Dean Spielmann

Dans une série commencée il y plus de cinquante ans et dix-sept ans après sa dernière parution, la 4^e édition de la *Bibliographie juridique luxembourgeoise* recense la production doctrinale luxembourgeoise sur la période 1997-2013, laquelle a pris une ampleur inégalée jusqu'alors, à la mesure de l'inflation normative et de la complexité croissante du droit. Le début de la période couverte correspond également à la création de l'Université du Luxembourg dont la faculté de droit, d'économie et de finance apporte une réflexion nouvelle à l'analyse du droit luxembourgeois, s'ajoutant à celle des praticiens.

À l'instar des éditions précédentes, cette bibliographie juridique est agrémentée d'un index analytique, d'une table des matières et des auteurs, afin de faciliter sa consultation. Compilation unique en son genre au Grand-Duché, elle offre à tous ceux désireux de connaître ou d'approfondir l'état du droit luxembourgeois sur une question déterminée une clef d'accès unique aux nombreux et riches écrits qui lui sont consacrés.
