La casa y el cerebro (Impedimenta) (Spanish Edition) Bulwer-Lytton

«*La mejor historia de fantasmas de la lengua inglesa.*»

Lafcadio Hearn

*Lovecraft se refirió a **La casa y el cerebro** como uno de los mejores relatos de casas encantadas jamás escritos. Y Lafcadio Hearn afirmó que estamos ante la mejor historia de fantasmas creada en lengua inglesa, pues reproduce con asombrosa fidelidad las vivencias de una auténtica pesadilla.*

***La casa y el cerebro** se considera una pieza maestra de la literatura sobrenatural. El narrador de esta desasosegante fábula de fantasmas, desoyendo los consejos de sus allegados, decide pasar una noche, junto con su criado y su perro, en una casa encantada situada en Londres, de la que todos los demás huyen despavoridos. Allí, tal y como él esperaba, asiste a una serie de apariciones espeluznantes y descubre, a través de unas cartas, que la casa, muchos años atrás, fue el escenario de unos horribles crímenes. El secreto de todo parece encerrarse en una habitación vacía. Conectada a esta, la voluntad de un ser inmortal y perverso, uno de los que tuvo que ver con la casa en el pasado, ha creado y gobernado a distancia los extraños fenómenos.*

LA PRENSA HA DICHO:

«*La novelita de Bulwer-Lytton es extraordinariamente horrible, letal, perversa y victoriana.*»
