## Letters of Rainer Maria Rilke, 1910-1926 Rainer Maria Rilke

This volume of Rilke's letters covers the years from the completion of *The Notebooks of Malte Laurids Brigge* to Rilke's death in December 1926, nearly five years after he had written the *Duino Elegies* and the *Sonnets to Orpheus*, his last major works.

There are important letters here to Muzot, Lou Andreas-Salome, to Princess Marie of Thurn and Taxis Hohenlohe, and many others. The most significant of the *Wartime Letters: 1914-1921* are also included. An Introduction briefly traces the development of Rilke's work during these years; the Notes provide the necessary framework of biographical details and point up significant references to the poetry.
