O despertar do guardião - a saga da legião branca - livro I (Portuguese Edition) Dáfne Freitas

No pequeno planeta Gondorle, o capitão da Guarda Real, Héricles Adalberon, vê-se diante de um dilema: manter-se ao lado do rei e tentar proteger o reino, ou sacrificar sua carreira e manter a princesa a salvo? Salvar o reino parecia o mais óbvio, mas sua intuição lhe dizia o contrário. Teria que se aliar ao inimigo do reino nessa empreitada sem cabimento e torcer para que seus propósitos fossem compreendidos.

A história se inicia com uma decisão difícil, que reúne, pela primeira vez, os personagens de uma trama muito maior. Enquanto aprendem a trabalhar juntos e a confiar uns nos outros, estreitam-se os laços entre eles. E quando uma força estranha desperta, em um incêndio monstruoso, eles descobrem que há muito mais em jogo do que apenas a busca pela salvação do reino.

Uma narrativa envolvente e um enredo cheio de fantasia e mistérios. O despertar do guardião é apenas o início de uma aventura que desvendará os mistérios ao redor da lenda da grande Legião Branca.
