## **STRIP TEASE** Carlos Kadosh

With this book, “Striptease”, we want to strengthen women’s sensuality, self-esteem and happiness, heating and increasing love and passion in their relationship. I wrote it with much affection for our readers and students. The texts are based on my experience of many years as a sensual art teacher, in order to facilitate the learning of this seductive dance and make it possible for women of all ages, physical types, beginners or for whoever wants to innovate with new techniques. I’m a writer, panelist, health professional, mother etc. Today, women have the capacity of performing successfully many activities such as professional, as house wives, mothers and they can also learn to use their seductive power in their relationships. Women have the power of multiplying themselves and, because of it, they are becoming more and more powerful! Our mission is to improve people’s health, self-esteem and sexuality, making relationships happier. For us it’s very gratifying to know that our books and courses are influencing positively the lives of many people. I try to, in a joyful and humorous way, to facilitate sensuality techniques, with books and courses, in order to obtain the maximum number of results in a short time and great quality. In workshops, we can observe women’s transformation, who become happier, more beautiful and sexy for the pleasure of their boyfriends and husbands. In the courses Goddess of Love and Sensual Arts, which I minister for over 15 years, I teach Pompoir, massage and sensual dances. My improvement was through a life dedicated to research, courses and specializations in the area of health and sexuality, massage and dances. This way, I’ve developed a whole new method in our workshops, which is the result of the many innovations that happen in our country and always bringing the most wanted innovations from other countries. I dedicate this book to the Goddess of Love that exists inside every woman, either young or mature, and especially to our students, who I call “my Goddesses”. I thank the attentions and affection that they dedicate us. Inspired by them, I wrote this book, and I desire that all readers use this knowledge with love and wisdom, so that they can have more and more wonderful moments in their lives. Professor Celine, of the course “Goddess of Love”.
