Danielle Steel

Sunset in St. Tropez Danielle Steel

In her 55th bestselling novel, Danielle Steel explores the seasons of an extraordinary friendship, weaving the story of three couples, lifelong friends, for whom a month's holiday in St. Tropez becomes a summer of change, revelation, secrets, surprises, and new beginnings . . .

As Diana Morrison laid the table for six at her elegant Central Park apartment, there was no warning of what was to come. Spending New Year's Eve together was a sacred tradition for Diana, her husband of thirty-two years, Eric, and their best friends, Pascale and John Donnally and Anne and Robert Smith. The future looked rosy as the long-time friends sipped champagne and talked of renting a villa together in the South of France the following summer. But life had other plans . . .

Just two weeks after New Year's, tragedy strikes the heart of their close circle, as Robert Smith suffers a sudden, unexpected loss. Without hesitation, Diana and Eric, Pascale and John rally to his side, united in their support, love, and shared grief. Convinced that a change of scenery is just what Robert needs, they urge him to join them on the Riviera in August. But as they soon discover, the ramshackle old mansion they rented in St. Tropez--sight unseen--is far different from the exquisite villa and sun-drenched gardens touted in the brochure. Cobwebs hang from the ceiling. Beds collapse beneath them. All while a would-be housekeeper in a leopard-skin bikini and six-inch heels sashays through the house with a trio of yapping poodles at her heels. But the biggest surprise of all is the woman Robert invites to the villa as his guest--a lovely, much-younger film actress with mile-long legs and a million-dollar smile. Diana and Pascale hate her on sight. But the men are dazzled. And amid the crumbling furniture and the glorious sunsets, the strained relationships and the acts of forgiveness, more surprises are in store for the villa's occupants. With the last days of summer fast approaching, each couple finds themselves changing in unexpected ways, as old wounds are healed, new love discovered, and miracles unfold...all beneath the dazzling sun of St. Tropez.

By turns wise and moving, heartbreaking and wickedly funny, Danielle Steel's new novel is about forgiving without forgetting, about the sorrow that shadows our lives and the hope that saves us. And it is about once-in-a-lifetime friendships . . .the kind that heal, sustain, and change us forever.

From the Hardcover edition.

From reader reviews:

Thomas Lemos:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that reserve has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they have because their hobby is reading a book. Why not the person who don't like looking at a book? Sometime, man feel need book after they found difficult problem or maybe exercise. Well, probably you will need this Sunset in St. Tropez.

Robert Marshall:

In this 21st one hundred year, people become competitive in every single way. By being competitive right now, people have do something to make these people survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Yep, by reading a e-book your ability to survive raise then having chance to stand than other is high. For you who want to start reading some sort of book, we give you that Sunset in St. Tropez book as beginner and daily reading reserve. Why, because this book is more than just a book.

Elsie Hawkins:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some research before they write with their book. One of them is this Sunset in St. Tropez.

Ingrid Baumbach:

People live in this new moment of lifestyle always try to and must have the free time or they will get wide range of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely without a doubt. People is human not really a robot.
