Consider this handbook your education. Hunter 101. And don't go thinking you got off easy just because there's not a pop quiz at the end. This is the good stuff. The real deal. In here you'll find out all there is to know about being a Dark-Hunter.

Now for the disclaimer: This book is mutable. It goes with the wind. It changes more often than the mind of a sixteen-year-old Gemini with a closet full of clothes and a date in an hour. Don't be surprised if you open it up for the thirty-five thousandth time and find something old, something new, something borrowed or. . .well you get the point.

Curl up in a comfy chair with some millennium-old scotch and feast upon the informative banquet I have prepared for your enjoyment.

Welcome to your new life.
