Usufrutuarismo: a metamorfose do capital (Portuguese Edition) Agenita Ameno

Esta obra defende que a sociedade possui capacidade de se autogerir, de gerar, progressivamente, riquezas materiais e intelectuais para todos os seus integrantes. Para isso, no entanto, faz-se necessária a adoção de estratégias básicas, como as que são apontadas neste livro, um conjunto de projetos e ideias que compõe um sistema econômico denominado “usufrutuarismo” e promete suplantar o capitalismo. O tema estudado é de grande relevância, não só para os acadêmicos dos cursos de Ciências Sociais, como também para os profissionais da área jurídica, uma vez que o ponto de encontro, a intersecção entre os interesses particulares e a vida pública é denominado de “Estado do Usufruto” ou “Sociedade Usufrutária”. Com prefácio de Paula Marcilio Tonani de Carvalho.
