For others, the idea of place becomes more distinct and particular: the sound of someone humming while washing dishes, the musical cadence of a mountain accent, the smell of a tobacco field under the hot Piedmont sun. Some of North Carolina's finest writers ruminate on the meaning of place in this collection of twenty-one original essays, untangling North Carolina's influence on their work, exploring how the idea of place resonates with North Carolinians, and illuminating why the state itself plays such a significant role in its own literature.
