Guardiões Vs Dragões (Portuguese Edition) Bruno Chaves

Na idade média, em determinado reino do território grego, existiam seres muito poderosos que assolavam todas as civilizações por onde passavam. Seu ataque era mortal e aterrador. Eram os dragões! Estes seres causavam bastante danos nas cidades por onde passavam. O povo era indefeso contra eles. Com espadas, lanças e flechas, suas armas não eram fortes o suficiente para se defenderem dessas feras aladas. Os únicos que lhes ofereciam resistência pertenciam a um grupo conhecido como “guardiões”. Eram dotados de superforça e de incríveis habilidades. Esta história se desenvolve na expectativa de que os guardiões sejam capazes de defender o reino dos dragões, garantindo a paz a todos.
