Ozma of Oz (Dover Children's Classics)

L. Frank Baum

Ozma of Oz (Dover Children's Classics) L. Frank Baum

A raging sea storm carries Dorothy Gale (charming heroine of *The Wonderful Wizard of Oz*) to the fairy land of Ev, where an exciting new adventure awaits her and all young readers who venture into this enchanting realm of fantasy.

Dorothy meets some new friends — Billina, a friendly talking hen; Tiktok, a remarkable Copper Man; the lovely Princess Ozma of Oz; and some strange characters too — Wheelers, with wheels for hands and feet; and Princess Langwidere who wears a different head each day.

When Dorothy learns that the Queen of Ev and her ten children are prisoners of the wicked Nome King, she sets out on a magic carpet with her new friends and some old favorites — Scarecrow, Cowardly Lion, and Tin Woodman — to rescue them.

The danger mounts as Princess Ozma herself falls victim to the Nome King's magic and is transformed into an emerald grasshopper. Youngsters will be swept up in the action as Dorothy and her entourage match wits with the Nome King and his devilish Nomes in a forbidding underground fortress.

Ozma of Oz will delight children of all ages from the very first chapter in which Dorothy battles the sea, to its surprising conclusion, when she struggles to free the royal family and her friends.

The original text is reprinted here in its entirety from the first 1907 edition, with John R. Neill's amusing and imaginative illustrations that capture the flavor of this wonderful, witty tale.
