Thomas Nagel

Questioni mortali (La piccola cultura) (Italian Edition) Thomas Nagel

Questioni mortali raccoglie gli interventi più incisivi di Thomas Nagel – uno dei massimi esponenti della filosofia analitica statunitense – sui dilemmi fondamentali che interessano il senso, la natura e il valore dell’esistenza umana. La gamma dei temi affrontati è ampia e ricca di implicazioni concrete: dalla vita privata a quella pubblica; dai grandi quesiti di metafisica, filosofia della mente e teoria della conoscenza ai rapporti tra biologia e etica; dai nostri atteggiamenti nei confronti della morte e dei comportamenti sessuali fino all’ingiustizia sociale, alla guerra e al potere. Filo conduttore del pensiero di Nagel è il continuo riemergere delle domande di fondo sul valore, il significato, il fine e la fine della vita mortale. Interrogativi affascinanti e insieme angoscianti, a cui è impossibile rispondere in maniera univoca, se non cadendo nell’illusione o nell’indifferenza. Come argomenta il noto saggio «Che effetto fa essere un pipistrello?», le teorie materialiste sul funzionamento del pensiero umano trascurano l’elemento della coscienza: la percezione della nostra realtà di essere umani. Gran parte delle difficoltà che incontriamo in vita dipende da una concezione limitata o erranea dell’identità e della libertà personali. Discutendo impostazioni etiche differenti – l’utilitarismo, l’intuizionismo, la teoria libertaria dei diritti e quella della giustizia di Rawls –, questi saggi propongono di incorporare i risultati teorici della ricerca filosofica nel contesto della conoscenza di sé. La consapevolezza, teorica e pratica, dell’inevitabile tensione fra i nostri impegni etici e la varietà di punti di vista possibili sul mondo e su noi stessi – tra giustizia e giustizia – è l’unica via per orientarsi fra quelle che per la nostra società sono letteralmente questioni «di vita o di morte».
