Searching for Cate (Signature Select) Marie Ferrarella

Since her mother's death, FBI Special Agent Cate Kowalski had to cope with the deep emptiness she felt—and the shocking revelation that she was adopted. The news came too soon after losing her fiancé and destroyed the very foundation of her identity. So now, the only way for Cate to find herself was to go in search of her birth mother. She didn't count on finding love on her path to self-discovery.

It had been three years since Dr. Christian Graywolf's wife died and he still blamed himself for her death. As a result, he focused entirely on his work at Blair Memorial Hospital until his sister brought home colleague Cate Kowalski. The attraction was intense, immediate—and the truth was something neither Christian nor Cate expected: that all his life Christian had been searching for Cate.
