Songs Of Malantor: The Arcturian Star Chronicles Volume Three Patricia Pereira

In 1987, medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications from the star Arcturus and was requested to begin a series of galactically inspired manuscripts.

The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well-being of our planet and all creatures who live upon her. Philosophical in cope, the essays in these books provide pragmatic, practical suggestions for emotional, mental physical, and spiritual transformation. They remind us of our familial relationships to beings of light who inhabit the great star nations.

Songs of Malantor offers cosmic information of expanded complexity to assist humans in the times of change and to prepare them for citizenship in the greater galactic community. Malantor is best describes as a fifth- and sixth-dimensional being of light from Arcturus, the primary star of the Boötes system. Malantor is a creator of melodious lyrics, an Arcturian poet and intergalactic counselor-teacher who volunteered for Earth assignment. He resides on board the Intergalactic Brotherhood's principal mother ship, *Marigold—City of Lights*.
