Book four of Blood of the Pride

P.I. Rebecca Desjardin is surprised when two seemingly unrelated missing-teen cases land in her lap on the same day. Her cat-shifter instincts tell her there's more to the story, and when she uncovers a bitter feud between the two families, she suspects Romeo and Juliet runaways. She turns to her lover, Brandon Hanover, a man who knows the underground better than most.

Brandon is determined to help the woman he loves outwit ruthless enforcers and bring two missing kids to safety, but when a woman from his past resurfaces he finds himself caught between two worlds once again.

As the claws come out and the war between the shifter families turns deadly, the two will have to stand together or fall separately—and even that might not be enough to save them.
