The Blood Books are now available in "Blood Ties" TV tie-in editions. View our TV tie-in feature page [here here](#).

Vicki Nelson has received the call that no daughter ever wants to receive—that her mother has died. Marjory Nelson's coworkers at the Queen's University Life Science Department told her that she suffered a heart attack, and that they'd be waiting for Vicki to arrive in Kingston to make the funeral arrangements. But what begins as a personal tragedy turns into the most terrifying case of Vicki's career, when her mother's body disappears mysteriously from the funeral home. Someone at the University is determined to learn the secret of life after death...and they've decided to make Vicki's mother part of their horrifying experiments.

From reader reviews:

Maria Hernandez:

In this 21st millennium, people become competitive in every way. By being competitive currently, people have to do something to make them survive, being in the middle of often the crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive raises then having a chance to remain than other is high. For yourself who want to start reading a book, we give you this particular Blood Pact (Blood Series Book 4) book as a basic and daily reading publication. Why, because this book is usually more than just a book.

Agatha Roughton:

Nowadays reading books is a little more than want or need but also gets a life style. This reading addiction gives you a lot of advantages. The benefits you get of course the knowledge the actual information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want to get more knowledge just go with education books but if you want to experience happy reading one with a theme for entertaining such as comic or novel. Typically the Blood Pact (Blood Series Book 4) is a kind of e-book which is giving the reader an unstable experience.

Fernande Hairston:

Information is a provision for individuals to get a better life, information currently can be gotten by anyone from everywhere. The information can be a knowledge or any news even an issue. What people must consider while those informations which are inside the former life are hard to find than now could be taken seriously which one works to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information there will be a huge disadvantage for you. All of those possibilities will not happen with you if you take Blood Pact (Blood Series Book 4) as your daily resource information.

Sharon Bradley:

Is it an individual who has spare time after that spends it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Blood Pact (Blood Series Book 4) can be the reply, oh how come? The new book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what do these books have that the others?
