BANKING ON DESTRUCTION

Leaving behind a trail of blood in the heart of Columbia's cartel country, Mack Bolan arrives in Kuala Lumpur to target a gangster's nightclub, the secret center of a looming cyberattack on U.S. and Chinese banks. What appears to be a greed-motivated counterfeit ring is actually a conspiracy to ignite a global economic crisis. Bolan must figure out who stands to gain and trace the destruction back to its source. Then take the leader down.

This much Bolan knows: the enemy is powerful, intelligent and well armed. Putting everything he's got into tracking the mastermind takes him to the Soviet Union in the dead of winter, where he finds a Russian power broker gunning to rebuild his beloved country into a glorious superpower. Bolan has only one response and he calls it "scorched earth."
