**French Stories/Contes Francais: A Dual-Language Book (Dover Dual Language French)** Wallace Fowlie

"The selections are good and the translations are excellent."?Germaine Brée, New York University  
Drawn from two centuries of French literature, these superb selections by ten great writers span a wide variety of styles, philosophies, and literary creeds. The stories reflect not only the beliefs of various literary schools, but the preoccupations of French civilization, at the various times of their composition, with the metaphysical and psychological problems of man.

Contents include Micromégas (Voltaire), La Messe de l'Athée (Honoré de Balzac), La Légende de Saint Julien l'Hospitalier (Gustave Flaubert), Le Spleen de Paris (Charles Baudelaire), Menuet (Guy de Maupassant), Mort de Judas (Paul Claudel), Le Retour de l'Enfant Prodigue (André Gide), Grand-Lebrun (François Mauriac), Le Passe-Muraille (Marcel Aymé), and L'Hôte (Albert Camus).

Students of French, or those who wish to refresh their knowledge of the language, will welcome this treasury of masterly fiction. The selections are arranged chronologically, allowing the reader to witness the development of French literary art — from Voltaire to Camus. Excellent English translations appear on pages facing the Original French. Also included are a French-English vocabulary list, textural notes, and exercises.
