## **Glaxo** Hernan Ronsino

"Glaxo is a chilling novel of betrayal, romance, and murder, from a major Latin American writer being published in English for the first time. In a derelict town in the Argentine pampa, a decades-old betrayal simmers among a group of friends. One, a barber, returns from serving time for a crime he didn't commit; another, a policeman with ties to the military regime, discovers his wife's infidelity; a third lays dying. And an American missionary has been killed. But what happened among these men? Spinning through a series of voices and timelines, Hernaan Ronsino's Glaxo reveals a chilling story of four boys who grow up breaking horses and idolizing John Wayne, only to become adults embroiled in illicit romances, government death squads, and, ultimately, murder. Around them, the city falls apart. The "primitive calm" is punctuated only by the sound of trains--a sound "so shrill it hurts your teeth," and loud enough, we learn, to overwhelm the pop of gunfire. Both an austere, pastoral drama and a suspenseful whodunit, Glaxo crackles with tension and mystery. And it marks the stunning English-language debut of a major Latin American writer."--
