Kosovo Liberation Army: The Inside Story of an Insurgency

Henry H. Perritt

Kosovo Liberation Army: The Inside Story of an Insurgency Henry H. Perritt

The military intervention by NATO in Kosovo was portrayed in American media as a necessary step to prevent the Serbian armed forces from repeating the ethnic cleansing that had so deeply damaged the former Yugoslavia. Leading the struggle against Serbia was the Kosovo Liberation Army, also known as the KLA. This book provides a historical background for the KLA and describes its activities up to and including the NATO intervention. Henry H. Perritt Jr. offers firsthand insight into the motives and organization of a popular insurgency, detailing the KLA's strategies of recruitment, training, and financing. This volume also tells the personal stories of young people who took up guns in response to repeated humiliation by "foreign occupiers," as they perceived the Serb police and intelligence personnel. Perritt illuminates the factors that led to the KLA's success and helped pave the long road from war to peace.
