Renaissance and Baroque Poetry of Spain

Elias L. Rivers

Renaissance and Baroque Poetry of Spain Elias L. Rivers

This volume, while including many of the usual anthology pieces from Spanish poetry, provides a sampling of the major genres of poetry associated with Spain's older literary traditions, omitting only the classical epic. In addition to English prose translations, this collection also includes a seventeen-page introduction intended to define the genres and to indicate briefly the lines along which they developed. Includes selections from poets of the Renaissance and the Baroque periods.
