The Sea (Modern Plays)

Edward Bond

The Sea (Modern Plays) Edward Bond

A wild storm shakes a small East Anglian seaside village and sets off a series of events that changes the lives of all its residents. Set in the high Edwardian world of 1907, *The Sea* is a fascinating blend of wild farce, high comedy, biting social satire and bleak poetic tragedy.

The play was first produced at the Royal Court Theatre, London, in 1973 and will be revived at the Theatre Royal Haymarket, London, from January to April 2008.

'This cosmically inclined neo-Chekhovian romp set in a stiflingly small seaside town in 1907 proves to be every bit as masterful as its sensational predecessor [Saved].' *Time Out* (New York)
