## **Walden** Henry David Thoreau

On July 4, 1845, Henry David Thoreau began a two-year experiment living in a solitary, self-built hut on the edge of Walden Pond outside of Concord, Massachusetts. In *Walden*, Thoreau wrote, "I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived." *Walden* is a detailed account of how and why Thoreau lived in relative seclusion, and his conclusions about living deliberately, and human nature.
